on pending reference Patent Application Serial No. 10/658,022 ('022) filed on September 9, 2003, as such term is defined in 35 U.S.C. § 154 and § 173, and as the term of any patent granted on said '022 application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending '022 application. The owner hereby agrees that any patent so granted on the '360 application shall be enforceable only for and during such period that it and any patent granted on the '022 application are commonly owned. This agreement runs with any patent granted on the '360 application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Assignee does not disclaim the terminal part of any patent granted on the '360 application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. § 154 and § 173 of any patent granted on said '022 application, as the term of any patent granted on said '022 application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending '022 application, in the event that any such patent granted on the pending '022 application expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
